

**REQUEST FOR QUALIFICATIONS FOR ENGINEERING SERVICES**  
**Madison County Blue Springs Aquifer Recharge Project**

The Board of County Commissioners of Madison County is hereby requesting submittal packages from qualified firms or individuals to provide Engineering services to rehabilitate, or replace up to six drainage well to improve aquifer recharge capabilities. Improvements may include hydrologic restoration, construction of treatment wetlands, installation of biosortive activated media (BAM), or other innovative technologies. The Madison Blue Springs Aquifer Recharge Project is a water supply and water resource development project that will increase beneficial recharge to the Upper Floridan Aquifer (UFA), prevent potential Minimum Flows and Levels (MFL) impacts, and improve water quality in the Madison Blue Springs Springshed and surrounding area. This project will also provide improved flood protection and natural resource restoration in the focus areas. Qualifications will be considered on an equal competitive basis.

Engineering services will include design and permitting, bidding and contractor selection, project management, construction supervision, development of a Quality Assurance Project Plan (QAPP), and monitoring of the QAPP. A detailed list of tasks and deliverables are available upon request. All engineering tasks must comply with the Florida Department of Protection and the Suwannee River Water Management District funding requirements.

The qualification of each firm or individual will be based on the criteria in Florida Statue 287.055, including, but not limited to; professional services provided, capabilities, adequacy of personnel, past record, experience of the firm or individual, and minority business status. Each firm or individual shall submit three (3) copies of their submittal package and shall clearly identify that the submittal is for the Madison Blue Springs Aquifer Recharge Engineering Services. Submittal packages must be received by 5:00 PM EST on Friday, March 27, 2019, at the Madison County BOCC Administration Office, 2<sup>nd</sup> floor, Courthouse Annex, 229 SW Pinckney Street, P O Box 539 Madison, Florida 32341. ATTN: Mr. Brian Kauffman, County Coordinator.
